NON SEI DA SOLA

La Rete Scolastica NONSEIDASOLA di Lodi è nata nel dicembre 2019 come rete scolastica interistituzionale nell'ambito della convenzione tra Regione Lombardia e l'Ufficio Scolastico Regionale per la Lombardia per la realizzazione della linea di intervento "A scuola contro la violenza sulle donne".

La Rete territoriale scolastica NONSEIDASOLA promuove, diffonde e coordina iniziative per l'emancipazione femminile e contro la violenza di genere in collaborazione con associazioni culturali attive sul territorio locale e nazionale sulle tematiche di genere.
